

## .K.A.M. Application for Student Status

Thank you for contacting .K.A.M. We are the Keepers of the Ancient Mysteries, a legally incorporated Wiccan tradition. We are a family of Covens who practice together and separately.

Witchcraft is the pre-Christian religion of Western Europe. We worship the Goddess who is manifest as the Earth and Moon, and the Horned God of Fertility, her Consort. We believe in reincarnation and in karmic laws. Our values are based on individual responsibility. We do not believe in a devil. Neither do we believe in sin, salvation or atonement.

There are no fees required or accepted. Wicca is not for sale.

A student studies privately or in classes for at least one year and one day, after which time he or she may have the opportunity to face Council. Upon passing, the student may be Initiated as a Witche.

Please write if you have further questions. If you wish to apply for student status at this time, answer the questions below so we may evaluate your application. Use a separate sheet of paper. It is in your interest to answer as completely and thoughtfully as you can.
